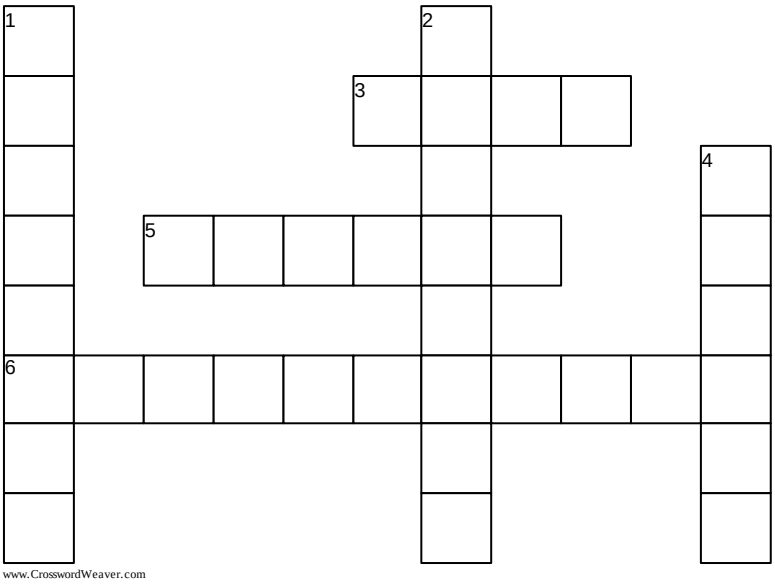
LOVE THOSE CATS



ACROSS

3 Best known for being completely tailless. Breed originated on the Isle of Man, located in the Irish Sea between Great Britain and Ireland.

5 Hybrid breed of domestic cat to resemble feline cat of the jungle like leopards, ocelots & margays.

6 This breed has a lean-medium sized body and a short, plush, blue gray coat. Eyes are almost always dark and vivid green.

DOWN

1 Breed of intelligent, short haired cat from 1960s England. Slender body, wavy coat, large ears.

2 A cross between a serval and domestic cat. In 2001, accepted as a new registered breed.

4 Their appeal comes from the stark black and white contrast of their coat, which is reminiscent of men's formal wear. Think of Sylvester.
